Date: 01st February, 2026

Dear Sir/Madam,

Sub: Press Release – Material Approval for Mumbai-Ahmedabad High Speed Rail Project

Ref: Scrip Code: 544675 (GABION TECHNOLOGIES INDIA LIMITED)

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we hereby inform you that **Gabion Technologies India Limited** has received **Vendor Approval / Notice of No Objection (NONO)** for its **Rock Catch Fence / Barrier system** for use in the **Mumbai-Ahmedabad High Speed Rail (Bullet Train) Project, Package C3**, awarded to **Larsen & Toubro Construction**.

The vendor approval has been granted by the Engineer based on satisfactory review of the submitted documents, design methodology, and test results, in accordance with the applicable project specifications and approved procedures.

This approval enables the Company to participate in the supply of Rock Catch Fence / Barrier systems for slope protection and safety works under the said package.

Further, the Union Budget announced today has outlined the Government of India's intent to expand the high-speed rail network by proposing additional bullet train corridors beyond the Mumbai-Ahmedabad route, which augurs well for long-term opportunities for companies operating in specialised rail infrastructure and safety systems.

A **press release** in this regard is enclosed for your information and record.

Thanking you,

FOR, GABION TECHNOLOGIES INDIA LIMITED

MADHUSUDAN SARDA
MANAGING DIRECTOR
(DIN: 01994280)

Enclosure: Press Release

Vendor Approval for Rock Catch Fence / Barrier for Mumbai-Ahmedabad High Speed Rail Project

New Delhi, 01st February, 2026

Gabion Technologies India Limited (CIN: U74999DL2008PLC195317) announces that it has received **Vendor Approval / Notice of No Objection (NONO)** for its **Rock Catch Fence / Barrier system** for use in **Package C3** of the **Mumbai-Ahmedabad High Speed Rail (MAHSR) Project**.

Package C3 of the MAHSR Project has been awarded to **Larsen & Toubro Construction** and includes execution of civil works such as viaducts, tunnels, earthworks, and slope protection systems.

The approval has been issued by the Engineer after review of the Company's technical submissions, including design methodology and test results, in accordance with project specifications and the approved Inspection and Test Plan (ITP).

This vendor approval permits **Gabion Technologies India Limited** to participate in the supply of **Rock Catch Fence / Barrier systems** for slope protection and safety works under the said package, subject to ongoing compliance with quality and testing requirements for future consignments.

Management Comment:

The management stated that the vendor approval for Rock Catch Fence / Barrier systems for the MAHSR Project reflects the Company's engineering expertise and commitment to delivering high-quality safety and protection solutions for complex infrastructure projects. The evolving policy support for high-speed rail development further strengthens the long-term growth outlook for the Company.

About the Company:

Gabion Technologies India Limited is engaged in the manufacturing, supply, and installation of steel gabions, rockfall protection systems, and geotechnical solutions for infrastructure projects across roads, railways, airports, mining, irrigation, defence, and urban development sectors.
